

## REQUIRED INSPECTIONS

Effective January 1<sup>st</sup> 2016: All permits (except commercial projects) will follow this inspection schedule.

1. Foundation
2. Walls (if needed)
3. Under Slab Plumbing (if needed)
4. Framing and All rough ins
5. Insulation
6. Final
7. Extra Inspection
8. Extra Inspection

\*Anything above 8 inspections will result in a \$50.00 fee per inspection.

**\* Skipping any of the above inspections will result in a penalty and the work will still be subject to inspection by whatever means necessary.**

**In doing this this will help streamline the inspection process and minimize trips.**
