Flood Risk Information Open House

LaGrange County Residents: ARE YOU AT RISK?

- Devastating floods occur throughout the U. S. every year causing more than \$2 billion in damage
- You have a 26% chance of experiencing a flood during the life of a 30-year mortgage compared to a 9% chance of a fire
- Floods and flash floods occur in all 50 states!
- Losses due to flooding are not covered under most homeowners or business policies...

Find out your risk... By attending this important Flood Risk Information Open House, you will have the opportunity to locate your home on the soon to be published Flood Insurance Rate Maps, and obtain valuable information on flood insurance coverage offered through the National Flood Insurance Program. On hand will also be representatives from your local community, Indiana Department of Natural Resources (DNR), and the Federal Emergency Management Agency (FEMA) who will address any questions you may have and provide you with ***ways you can protect your home and loved ones from future flooding***. Please drop-in any time during these event to speak one-on-one with FEMA and DNR representatives.
